- Boys and Girls aged 11 and under are not eligible to swim all of the events but can only swim those events that apply to the County BAGCAT awards in accordance with LTAD. BAGCAT points are calculated based on the FINA point tables
- This year we are only offering girls 800m and boys 1500m freestyle
- Swimmers who are under the eligible ages for the County events but are/or will be eligible for the Region or National Competitions may make special entries for those applicable events. Special qualifying times close to the Region qualifying times apply to these events. These entries will not be eligible for any awards or points.
- ENTRY QUALIFYING TIMES are shown in these instructions and all swimmers **must** have achieved the time shown during the previous 12 months and will be expected to prove if required that they have previously achieved the time entered. Times slower than the qualifying time will **not** be accepted.
- In order to qualify for an award swimmers must have achieved the qualifying time in either the heats or the final or, in the case of heat declared winner events in the heats
- The County reserves the right to restrict further the entry if required for timing purposes
- FINALS will be held only for 100m events for each individual single year age. The result of the final will take precedence over a heat time in deciding the winner of the event. The remaining events will be decided on the heat declared winner basis. Finalists and up to four reserves will be announced as soon as possible after the heats have been completed. Withdrawals from finals must be notified to the recording desk as soon as possible after the finalists have been announced.

***BAGCAT Trophies will be awarded to the top 3 swimmers in each AGE GROUP (boys and girls 9-14), using the FINA points table. Full details of the categories are shown later in these instructions.***

*BRITISH GAS MCASA BAGCAT & YOUTHS COMPETITION 2012*

## **COMPETITION SECRETARIES PLEASE NOTE**

**REGISTRATIONS:** All swimmers must be registered with the ASA category 2 and no unregistered swimmer will be accepted in any of our competitions. As the ASA take some time to process registrations if you have a new swimmer who has not received their registration number please insert on the entry form the date the form was sent to the ASA

If you have a swimmer who does not know their registration number you can get this from the ASA website

### **COMPETITORS NAME**

After each competition I get a list of queries from ASA Rankings. These queries come even though the registration number has been quoted. I have found that the majority of the queries arise through a difference in the name on the entry file from that registered with the ASA. PLEASE therefore ensure that you are using your swimmers name as registered with the ASA.

### **COMPETITORS ADDRESSES**

As we do not see the entry forms we will rely on competition secretaries to provide competitors addresses for any swimmer selected for a county team or for the County Development Day

### **OFFICIALS**

Under the licensing rules we are required to have a full complement of qualified Officials. Please therefore encourage your Officials to assist for at least one session. We also need a number of non-technical helpers willing to assist us for a variety of jobs. Please also let us know of anyone willing to help.

### **ELECTRONIC ENTRIES**

#### **ENTRIES on DISC OR BY E-MAIL.**

It is requested that clubs make entries by using Hy-Tek Team Manager software if possible.

Please note that you will be responsible for the accuracy of the electronic entry as I will have nothing to check it by and any errors may lead to a rejection of the entry.

### **QUALIFYING TIMES**

In recent years we have asked for swimmers to confirm where they have achieved an entry time but without the entry form it will not be possible to check this information. The entry summary form which still needs to be sent with your cheque contains a certificate of accuracy which must be signed by the competition secretary or a responsible officer of the club who will be expected to answer any query which may arise in connection with the entry. This will include confirming that an entry time has previously been achieved and where. Obviously any time achieved at a licensed meet can be verified from the ASA ranking list but if you rely on a time achieved at unlicensed meets or even club time trials then you will have to satisfy us as to its accuracy if required.

**Please note:** For this competition qualifying times may be at any competition including club time trials and other unlicensed Meets for our Short Course Championships in October and if we run a Long Course Championships we will expect qualifying times to be achieved at a licenced meet.

### **ENTRY FEES & SUMMARY FORM**

Entries submitted electronically must be sent by the closing date but the summary form and cheque must be received within 3 days of the final closing date. **Please note that the entries are not valid until your cheque is received.**

**CLUB CLOSING DATE FOR ENTRIES Tues 24<sup>th</sup> JAN 2012**
