

BOROUGH 200/400 MEET 2010

Edmonton Phoenix started the year with the Borough 200/400 meet held at Southbury Road on the 9th and 10th of January 2010. The club had a strong turnout of 71 swimmers to compete against the other Enfield Clubs in 200m swims for all strokes and 400m swims in freestyle and IM.

This is an interesting meet for the swimmers where the events are longer than many they would normally race in. For the younger swimmers it is a tough baptism. Where they would comfortably complete the distance in a training environment they had to “produce the goods” under the pressure of a race situation and at a fast pace. For the older swimmers it is a chance to swim these distances without the distraction of also racing the sprint distances in the same meet.

Needless to say the swimmers performed exceptionally well with the medal table showing 57 swimmers produced a sixth place or better. David O’Toole was top of the pile with 4 golds and 2 silvers. Ryan McCarthy also had another good series of swims winning all four of his races and setting new Age Group Club Records in the 13yr 200 Back, 200 Free, 200 Fly and 400 IM. Nina McGarvey, Mia Hawkes, Charlotte Newman and Charlotte Payne also won all their races each taking three gold medals a piece, Mia Hawkes setting new Age Group Club Records in the 10yr 200 Free and 200 Back. A special mention for Callum Dodd for his two gold medals in the 9yr 200 Fly and 200m Back and also for Lewis Hitchings gold medal in the 9yr 200 Breast. Overall the girls won 22 gold medals and the boys 23 gold medals. Hopefully the performances at this gala will lay the foundations for future success over the forthcoming year.

Our thanks to all the officials and helpers from all the Enfield clubs, without their help these events would not be possible.
