

EDMONTON PHOENIX JUNIOR WINTER SPRINT 2010

Edmonton Phoenix held a successful Junior Winter Sprint meet at Southbury Road on the 23rd of January, 2010. The gala was pitched at a level that excluded the very fast swimmers from counting in the official results (they were able to swim as exhibition swimmers) but provided excellent competition for those swimmers just waiting to push up to the next level. The races were all 50m swims with the age groups ranging from 9 years to 12 years. The meet was well supported by local clubs and Edmonton Phoenix fielded a large squad of 50 swimmers.

The competition was very strong and Edmonton Phoenix did well to come away with 6 gold medals. Top of the Phoenix medal table was Lewis Hitchings who came away with 2 gold medals finishing first in the boys 9yr 50m Fly in 48.02s and 50m Free in 39.99s. He was closely followed by Amy Carson who came 1st in the girls 11yr 50m Backstroke in 36.03s and 2nd in the 11yr Fly in 38.44s. Amy Sullivan also had a very successful meet, finishing 1st in the girls 9yr 50m Fly in 46.15s and 3rd in the 50m Breaststroke in 57.59s. The other gold medals were won by Mia Hawkes who came in 1st in the girls 10yr 50m Fly in a time of 39.99s setting a new Age Group Club Record and James Whiting who came 1st in the boys 10yr 50m Free in 37.91s. Overall we had 21 swimmers who posted a finish of sixth place or better and there were some tremendous swims especially from many of our 9 year old swimmers.
