

Essex League Gala Report

Saturday 15th January 2011

Well done to the Edmonton Phoenix team who swam in the first round of the Essex League at Loughton.

It was a very successful evening and the team won by a clear 30 points! There were lots of excellent individual swims and personal bests achieved by many of our swimmers.

The team spirit was fantastic and the support the swimmers gave each other led to many first places. I would like to give a special thanks to those swimmers who had to swim in their own age group and the one above. The team gave great support to me in my first gala as team manager and Sarah at her first gala as chief coach. I look forward to seeing you all again for round two.

Jo Howe
EPSC Team Manager
