

Dear Swimmers and Parents

Further to our previous letter dated 29th September 2011, announcing the potential merger of the two clubs, we would like to invite all swimmers and parents to a "Question and Answer Meeting" next Wednesday, 2nd November in the Meeting Room at Southbury Road pool from 8.15pm.

We appreciate that there are swimmers at other pools and swimming at Southbury Road at that time on a Wednesday evening. However, we intend the meeting to continue until those swimmers are available to attend the meeting and ask their questions.

All are invited, and if you are not able to attend and would like to ask a question, please ask a member of your committee and we will come back with an answer for you.
